Bangladesh statement on the UPR of Morocco

Thank you Madam President.

My delegation warmly welcomes the Moroccan delegation led by H.E. Mustapha Ramid, Minister of Justice and appreciates the comprehensive presentation.

Bangladesh welcomes various initiatives and reforms adopted by the Moroccan government like the establishment of the National Human Rights Council and the Office of the Ombudsman, the reforms undertaken for the promotion and protection of the human rights including the Reform of the justice system. My delegation also applauds the adoption of the new Constitution.

Madam President, we recognize the need to reconcile the promotion and protection of human rights and the socio-economic constraints that the country is faced with. In this context, we draw attention of the international community to cooperate to fulfill its expectations in terms of capacity-building and technical assistance as mentioned in the National Report of Morocco.

While we congratulate the government of Morocco for its achievements in promotion and protection of human rights, we would like to recommend that Morocco continues to address the remaining challenges, including in empowering women and ensuring gender equality in purposeful manner.

Thank you.
