*Statement by the delegation of Rwanda*

**Thank you Madam Vice President,**

My delegation warmly welcomes the delegation of Botswana headed by H.E Dikgakgamatso Seretse, Minister of Defence, Justice and Security, for its comprehensive national report and commends Botswana on the progress made since the last UPR to strength the protection and promotion of the Human rights.

My delegation notes with satisfaction the efforts made by the government of Botswana in opening the specialized courts, which has improved access to justice.

We further commend the government of Botswana for the adoption of public education initiatives towards gender sensitisation in order to educate the public on women's rights.

My delegation therefore would like to recommend Botswana:

- 1. To ratify the international Convention on the protection of the rights of all Migrant Workers and members of their families and*
- 2. To speedup the ongoing process to ratify the convention on the Rights of persons with disabilities.*

**I thank you Madam vice President**
