

Statement by the Indonesian Delegation
15th Session of the Working Group on Universal Periodic Review
Consideration of the UPR Report of
the Grand Duchy of Luxembourg
Geneva, 24 January 2013

Mr President,

Let me begin by welcoming the delegation of the Grand Duchy of Luxembourg and thank them for their continued engagement in the UPR process and the presentation of their national report here today.

Mr President,

My delegation welcomes the continued progress on the efforts by the Government in the promotion and protection of human rights in Luxembourg, particularly in protecting the rights of migrants. On this issue, Indonesia shares the view that the efforts should be complemented by, *inter alia*, strengthening legal framework. In this regard, Indonesia would like to **recommend that the Government of Luxembourg consider ratifying the International Convention on the Protection of the Rights of Migrant Workers and Members of their Families.**

Furthermore, my delegation also notes of the encouraging efforts of the government to promote and respect for cultural diversity. Indonesia believes that the maintenance of identity should not be in conflict with promoting cultural diversity. In this regard, education is key to promote the multiculturalism. Indonesia would like to **recommend that the Government of Luxembourg continue its efforts in ensuring that education system will benefit all groups in the society regardless their backgrounds.**

Mr President,

In conclusion, Indonesia would like to convey its best wishes to the Government of Luxembourg and its people in their continued endeavours in protecting and promoting human rights in the country.

I thank you.
