Thank you M. President,

Greece would like to welcome the delegation of Montenegro to the 15th session of the UPR Working Group. We express our appreciation for the country's efforts to implement most of the recommendations of the first cycle and welcome the many positive developments in the country.

We have the following questions and recommendations:

1. Regarding the issue of gender equality we acknowledge with appreciation the many positive efforts of the Government of Montenegro to fight discrimination and achieve gender equality. Could you please share with us more information on concrete results after the adoption of several actions mentioned in your national report? We recommend that Montenegro intensify efforts on gender equality and take further steps in promoting women in all spheres of life especially in the political life.
2. We recognize the commitment of the Government of Montenegro to promote the rights of persons with disabilities and we recommend that Montenegro intensify efforts in this field.
3. Regarding human trafficking, could you please elaborate more on your actions on this issue? We recommend that you increase efforts in order especially to protect victims of human trafficking.
4. Finally, we note with appreciation the existence of several actions regarding human rights education and training and would like to ask for the delegation's evaluation of these actions.
