Mr. President,

Jordan would like to welcome Ms Dipu Nani and the delegation to the Sixteenth session of the UPR, and to thank them for the interesting presentation of the national report.

Jordan wishes to commend Bangladesh for its sincere and ongoing efforts to further promote and protect human rights and fundamental freedoms. We are particularly encouraged by the ratification of a number of international human rights conventions such as the International Convention on the protection of the Rights of All Migrant Workers and members of their families.

In addition, Bangladesh efforts to strengthen the institutional framework are highly appreciated. These efforts included the empowerment of the Human Rights Commission, and the Anti Corruption Commission, also the establishment of the National Election Commission. We hope that Bangladesh will continue to render its support to these institutions so that they can discharge their mandates in the most effective manner.

Finally, we wish to make the following recommendations to Bangladesh:-

1. To continue developing the institutional framework with respect to the promotion and protection of human rights;
2. To continue its policies on improving the rights of the child.

I thank you
