Mr. President,

Jordan would like to welcome ~~the~~ ~~delegation~~ ~~to~~ the Canadian delegation to the Sixteenth session of the UPR, and to thank them for the informative and thorough presentation of their national report.

Canada has been instrumental in advancing the agenda of human rights at the national and international level; its active participation in the Human Rights Council and its contributions to the OHCHR are highly appreciated, and we hope that Canada will continue to lend its support in this regard.

Jordan wishes to commend Canada for its sincere and ongoing efforts to combat racial discrimination through a combination of legislative, policy and education awareness measures including several of initiatives sponsored by the Government of Canada.

Finally, we wish to make the following recommendations to Canada:-

1. To continue its work in combating religiously motivated crimes and acts of violence.
2. To continue its work to advance equality for women and to promote their full participation in the all fields.

I thank you
