Eritrea's Recommendations to UPR by Cuba

Eritrea welcomes the Cuban delegation and thanks for the presentation made.

We recognize the achievements of Cuba in the fields of human rights despite the negative impact of the blockade imposed to it for more than 50 years.

Eritrea on this occasion would like to make the following recommendations:-

- To consolidate measures aimed at strengthening the rights of children with disabilities**
- Continue to strengthen the exercise of freedom of expression, assembly, association and participation**
- Promote understanding, tolerance and friendship among the peoples of the world along the ideals of peaceful existence and genuine cooperation and partnerships**
- Defend the approach of cooperation, mutual respect and non politicization of human right issues**
