Mr. President,

Viet Nam warmly welcomes the high-level delegation of Cuba and highly appreciates Cuba's commitments and contributions to the UPR. Viet Nam recommends Cuba:

- To continue her policies to strengthen the rights of children.
- To continue working to achieve a greater women's leadership in agricultural cooperatives.
- To strengthen the efforts to reach a qualitatively superior performance in the administration of justice.
- To continue to eliminate gender stereotypes in the national idiosyncrasy.
- To continue the country's policy in promoting the full religious freedom of all citizens.

Viet Nam wishes Cuba wealth and success. Hasta la victoria siempre!

Gracias mucho, Senor Presidente.
