GERMANY under UPR/UPR 16th Session
(Geneva, 22.04-03.05.13)

Recommendations by Greece

Thank you M. President,

Greece would like to welcome the delegation of Germany to the 16th session of the UPR Working Group headed by H.E. *Mr. Markus Löwin*. We express our appreciation for Germany's efforts to implement most of the recommendations of the first cycle and welcome the many positive developments.

1. We appreciate all the efforts by the Government of Germany in the field of human trafficking especially those relating to the protection of victims. Could the delegation elaborate further on relevant measures taken? We recommend that Germany continue efforts in this field and most importantly facilitate access to justice for the victims.
2. We recognize the systematic approach of Germany in fighting hate crimes. Could the delegation share with us best practices in this field?
3. Finally, we express appreciation for the protection of women's rights. We recommend that Germany enhance efforts to promote the representation of women at all levels.

Thank you M. President
