Mr. President,

Jordan would like to welcome Mr. ^{lönning} Markus and the German delegation to the Sixteenth session of the UPR, and to thank them for the informative and thorough presentation of the national report.

Jordan wishes to commend Germany for the ongoing efforts to further promote and protect human rights and fundamental freedoms. We are particularly encouraged by the ratification of a number of international conventions such as the Convention on the Rights with Disabilities, and the Optional Protocol to the Convention on the Rights of the Child on the sale of children, child prostitution and child pornography.

We wish to make the following recommendations to Germany:-

1. To review the existing legislation that prohibited the wearing of religious symbols by public schoolteachers.
2. To continue its efforts regarding the integration of Muslim population in Germany, while at the same time ensuring the enjoyment of their human rights, including the right to religion.

I thank you
