Thank you Mr President,

We thank the Mexican delegation for the presentation of the update on the situation of Human Rights in Mexico, both through the national report and the presentation before the Council. We took note of the progress achieved and of the remaining challenges. Also, we took note of the challenges and the vision of the authorities on how to address them.

Our delegation warmly congratulates Mexico for the openness and the extended co-operation on Human Rights and the special procedures.

We recommend Mexico to improve the implementation of the existing framework in order to ensure the protection of human rights defenders and journalists.

Thank you Mr. President.
