**Bangladesh statement on UPR of Nigeria**

Thank you Mr. President.

My delegation welcomes the Nigerian delegation among us. We appreciate the informative national report and the note worthy presentation made by the delegation.

We have noticed the commendable progresses made by Nigeria. We are happy to note the progresses made in achieving universal basic education. We welcome the National Strategic Health Development Plan (2010). While recognizing Nigeria's efforts in addressing the HIV/AIDS epidemic, we would like to **recommend** that with the support and assistance of the international community, Nigeria strengthens its capacity to provide care and support for children infected or affected by HIV/AIDS, particularly those orphaned.

At conclusion, my delegation would like to encourage Nigeria to sustain the momentum of its efforts for the promotion and protection of human rights in the country

Thank you.
