**Statement by the DPRK Delegation on the UPR of Cambodia**

(28 January 2014)

Mr. President,

My delegation warmly welcomes the delegation of Cambodia and thanks for the presentation of a comprehensive and informative national report.

We appreciate the commitment and consistent efforts as well as achievements made by the Royal Government of Cambodia for the protection and promotion of human rights.

Cambodia has made a considerable progress in the field of human rights, in particular, in the implementation of recommendations it accepted during its first UPR in 2009.

My delegation encourages the Royal Government of Cambodia to continue with the positive efforts and, in this regard, **recommends** the following:

- 1) to continue to promote a free-of charge school enrolment
- 2) to continue to promote the sustainable development of health sector, prioritizing the partnership with the national community in delivering health services to all citizens.

Thank you, Mr. President.

Kim, Yong Ho
