**EMBASSY AND PERMANENT MISSION OF AFGHANISTAN TO THE UNITED NATIONS
OFFICE IN GENEVA**

2nd Circle of UPR, CHILE
28th January 2014

Thank you Mr. President

My delegation warmly welcomes the esteemed delegation of Chile and express our appreciation for the presentation of their national report and Chile's commitment to the Universal Periodic Review process.

We are pleased to note the positive measures taken by the government of Chile for the reintegration of young people and believe the implementation of the so-called "Plan for Youth" would provide the young adolescents serving their criminal penalties, an encouragement to education and a positive hope to the future, once they have served their criminal charges.

Afghanistan further acknowledges the positive steps taken by the government of Chile for the rights of migrants and it's applaudable that the State guarantees that all migrants have right and access to education, health and protection. In this regards Afghanistan recommends that all the newborn children born in Chile should have the right to Chilean nationality with a legal framework for their protection.

Thanks
