Intervention of Romania on the UPR of Eritrea (3 February 2014)

Thank you Mr President,

We acknowledge the participation of the delegation of Eritrea in the UPR process

We took note on the information provided and we hope that the Eritrean authorities will take the necessary steps in order to ensure the exercise of the human rights by all Eritrean citizens.

Mr President,

We are concerned by the reports that indicate many challenges remaining since the last UPR.

Romania recommends the following:

- ratification of the Rome Statute establishing the International Criminal Court
- guarantee of the right of freedom of religion for all Eritrean citizens
- co-operation with the Special Rapporteur for the situation of Human Rights in Eritrea

Thank you Mr President
