

UN HUMAN RIGHTS COUNCIL
THE 18TH SESSION OF THE UPR WORKING GROUP
Consideration of the UPR Working Group on Slovakia

Geneva, 3rd February 2014

Mr. President,

The Delegation of Bosnia and Herzegovina would like to express appreciation to the distinguished delegation of the Republic of Slovakia and H.E. _____ for informative presentation of the National Report.

We welcome the thorough methodology and transparency used in preparation of the National Report, especially for conducting a very wide spectrum of consultations with governmental and nongovernmental stakeholders.

We praise the Government of Slovakia for all the steps taken in order to promote and make more functional the institutional framework of human rights, and for signing and ratifying several important UN and Council of Europe human rights instruments.

I have two questions for the distinguished delegation of Slovakia:

1. Could you provide more details on the national strategy for the promotion and protection of human rights that is under the preparation and
2. Have the projects on inclusive education and improvement of access of Roma children to pre-school and primary education brought better results in the period under the review?

Thank you Mr. President.
