Mr. President,

Jordan would like to welcome Mr. *Homero Guerrero* and the accompanied delegation to the Eighteenth session of the UPR, and to thank them for the interesting presentation of the national report.

Jordan wishes to commend Uruguay for its sincere and ongoing efforts to further promote and protect human rights and fundamental freedoms. We are particularly encouraged by the ratification of the Optional Protocol to the International Covenant on Economic, Social and Cultural Rights, and the Accession to the UNESCO Convention against Discrimination in Education.

We also commend Uruguay for the establishment of the National Human Rights Institution.

Finally, we wish to make the following recommendations to Uruguay:-

1. To continue its efforts in providing equal treatment for men and women in employment.
2. To continue its policies on improving the rights of the child.

I thank you
