Intervention of Romania on the UPR of Viet Nam

Thank you Mr President,

We welcome the participation of the Vietnamese delegation in the UPR process.

We took note on the information provided and we are confident that, as a member of the Council, Viet Nam will uphold to the highest standards of Human Rights.

We recommend Viet Nam to continue the ratification of the international instruments of human rights, notably to consider ratification of the Rom Statute establishing the International Criminal Court. We also recommend Viet Nam to continue the co-operation with all mechanisms of human rights Council.

Finally, we recommend Viet Nam to take all necessary measures to combat trafficking in human beings.

We wish Viet Nam all success in this process.
