My delegation would like to welcome the delegation of Vietnam amongst us. We thank the delegation for a comprehensive presentation which reaffirms the Vietnam government's commitment to the promotion and protection of human rights. We have studied the national report with interest and found it informative.

We are impressed by the socio-economic improvement of the country.

Mr. President, as we are impressed by the noteworthy progresses that have taken place in Vietnam, we also acknowledge the remaining challenges of the country in the domain of human rights.

We wish the delegation and the country well in their endeavors in overcoming these challenges.
