Mr. President,

Jordan would like to welcome Mr. The Hon. Phemin Dato and the accompanied delegation to the Ninetieth session of the UPR, and to thank them for the interesting presentation of the national report.

Jordan wishes to commend Brunei Darussalam for its sincere and ongoing efforts to further promote and protect human rights and fundamental freedoms. We are particularly encouraged by the enactment of the Children and Young Persons Act which provides more protection and rehabilitation for children. We also commend Brunei Darussalam for the enactment of the Workplace Safety and Health Order which provided more safety measures to the employees.

In addition Brunei Darussalam's efforts to strengthen the institutional framework are highly appreciated. These efforts included for example the establishment of the Special Committee on Family Institution and Women. We hope that Brunei Darussalam will continue to render its support to this body so that it can discharge its mandate in the most effective manner.

Finally, we wish to make the following recommendations to Brunei Darussalam:-

1. To continue developing the institutional framework with respect to the promotion and protection of human rights;
2. To continue its policies on improving the rights of the child.

I thank you
