*Madam President,*

My delegation warmly welcomes and thanks the delegation of Nicaragua for the succinct presentation of the country's UPR report, which is prepared with a broad consultative process and critical methods among government agencies and other stakeholders.

We are grateful for the efforts, commitments and progress made by Nicaragua toward the strategic objectives of sustained economic growth, poverty reduction, employment quality, social equality and improvement of living standard for the Nicaraguan, through the restoration of their fundamental rights and freedoms.

*Madam President,*

Taking this opportunity, we wish to present 02 recommendations to Nicaragua:

1. Continue its renewed efforts and commitments to lead Nicaragua towards good living, prosperity and happiness, through the paths of reconciliation and national unity, equality, solidarity, sustainable development and further promotion and protection of human rights.
2. Strengthen its good governance and reform process of its judicial system and national mechanism for human rights, with more focus on employment, social welfare, education and health care, especially for families in rural areas and vulnerable groups of women, children and persons with difficulties.

Viet Nam wishes Nicaragua every success in its 2<sup>nd</sup> UPR cycle.

Thank you Madam President./.
