**Universal Periodical Review
Session 19
Examination of Nicaragua
Intervention of the Romanian delegation**

Thank you Mr. President,

Romania welcomes the presence of the distinguished delegation from Nicaragua in the UPR process.

Romania acknowledges positive developments in the country since the previous UPR cycle such improvements in registration of births.

We would like to recommend Nicaragua to take necessary measures in order to ratify core international human rights instruments such as: the OP to the CEDAW and the Rome Statute of the International Criminal Court.

I thank you
