Mr President,

Rwanda welcomes the delegation of Qatar to the 19th Session of the UPR working Group and thanks them for the presentation of their comprehensive national report.

We take note with appreciation the progress made by the government of Qatar in terms of promotion and protection of human rights. This is clearly illustrated by various laws and legislation enacted in support of human rights. In particular we appreciate the Adoption of the Human Trafficking Act, Health and Education Fund Act and Health and Social Security Act.

We commend the government of Qatar for its national Vision 2030 and we note with appreciation that the vision involves the empowerment of women and the rights of the child.

My delegation would like to make the following Recommendations:

- *To consider ratifying the ICCPR and its Optional Protocols,*
- *To consider ratifying International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families,*
- *To strengthen efforts to prevent violence against women.*

Thank you Mr President.
