

Statement by the Islamic Republic of Iran

20 the Session of the UPR Working Group

Review of Angola

30 October 2014

52

Mr. President,

My delegation would like to welcome the delegation of Angola and thank them for the national report given to the Working Group on the implementation of the recommendations of the first cycle of the UPR and we appreciate all steps taken by Angola to re-build the country destroyed by decades of war.

We take note that Angola has made progress in poverty reduction especially in rural area as well as the adoption of the framework law on the Education system and the National Action Plan for education for all.

We also take note positively the undergoing reform process of the justice sector and establishment of a Commission on Justice and Law Reform.

Mr. President

We would like to make the following recommendations to Angola:

- To strengthen its efforts to combat hunger and poverty in the country;

- To continue its efforts to improve the National system to access education for all children.
- To intensify its efforts to strengthen legal mechanism in order to improve the access of people to the justice system.

Thank you,
