**Statement by the Democratic People's Republic of Korea
20th Session of the UPR Working Group
Review of El Salvador
(27 October 2014)**

Mr. President,

The delegation of the Democratic People's Republic of Korea (DPRK) welcomes the delegation of El Salvador and thanks the delegation for the introductory presentation of its National Report.

We take note of the consistent efforts and achievements made by the Government of El Salvador for the protection and promotion of human rights.

El Salvador's election to the United Nations Human Rights Council for the term of 2015-2017 at the elections held during the 69th Session of the United Nations General Assembly shows that the international community takes account of its commitment and evolution in the field of human rights.

My delegation would like to encourage the Government of El Salvador to make continued progress and, in this regard, **recommends** the following:

1. To make continued efforts for the sustainable development of health sector in order to ensure provision of high-quality medical services to all citizens.
2. To continue introduction of advanced programs for ensuring the fundamental rights, especially for the vulnerable group.

Thank you.
