Recommendations by Canada for Grenada's UPR

Question

During its last review, Grenada accepted Canada's recommendations to undertake a comprehensive review of prison conditions to ensure that all detainees are treated humanely and in compliance with international standards. Can the delegation of Grenada provide an update on steps undertaken to implement this commitment?

Recommendations

Canada recommends that Grenada:

1. Repeal legislation criminalizing consensual same-sex practices between adults.
2. Implement human rights awareness and anti-discrimination education programs, particularly with respect to ending discrimination on the basis of sexual orientation.

Observations

Canada welcomes Grenada's ratification of the Convention on the Rights of Persons with Disabilities and the International Convention on the Elimination of All Forms of Racial Discrimination.
