

**Statement by Myanmar Delegation
Permanent Mission of the Republic of the Union of Myanmar
At the UPR Working Group Session on
Kenya
22 January 2015, Geneva**

Mr. President,

My delegation warmly welcomes the high level delegation of Kenya. We thank them for their comprehensive national report and presentation.

We commend Kenya for adopting a number of legislative and policy measures to enable its people to better enjoy human rights and the fundamental freedoms.

Mr. President,

My delegation would like to make the following recommendations for consideration by the Kenyan delegation:

- To continue addressing the issues of sexual exploitation of women and girls;
- To continue the measures for poverty reduction;
- To further promote economic empowerment programmes and job creation to prevent the radicalization of the youth.

We wish Kenya a great success in the current review.

I thank you, **Mr. President.**
