Working Group on the Universal Periodic Review
21th Session

KUWAIT

Mr. President,

Timor-Leste warmly welcomes the delegation of Kuwait and congratulates them for their participation and presentation.

Timor-Leste notes with appreciation the Government's continued efforts to regularize the situation of stateless persons and we welcome Kuwait's efforts to mainstream children with disabilities, or who have learning difficulties, within regular classes.

Timor-Leste would like to recommend the following:

- That Kuwait establishes an independent national human rights institution, in conformity with the Paris Principles.
- That Kuwait considers ratifying the International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families.

I thank you Mr. President.
