

**Human Rights Council  
21<sup>st</sup> session of the UPR Working Group  
Review of Kuwait  
January 28, 2015  
Intervention by Ukraine**

Mr. President,

Ukraine welcomes the delegation of Kuwait and thanks for the presentation of the National report prepared in coordination and consultation with national stakeholders.

We positively note efforts to implement recommendations accepted during the first cycle of the Review, in particular in the sphere of equality and non-discrimination, and encourage the Government of Kuwait to continue further advancement of women on all levels of society.

Ukraine offers Kuwait the following recommendations:

- to consider returning to a de-facto moratorium on all death sentences;
- to take further measures for ensuring appropriate protection of human rights of the Bidoun population;
- to reinforce efforts aimed at improving the working and living conditions of migrant workers.

Thank you, Mr. President.
