**STATEMENT BY THE CZECH REPUBLIC**

The Czech Republic warmly welcomes the delegation of Kuwait. We appreciate the delegation's informative presentation and the response to some of our advance questions.

The Czech Republic has the following three **recommendations**:

- Revise the compliance of relevant existing laws, in particular articles 25 and 111 of the Penal Code, with international standards of freedom of expression and protect human rights defenders, journalists and bloggers against persecution and harassment;
- Remove all gender-discriminatory provisions from the Nationality Law of 1959 and adopt comprehensive plans of action to achieve gender equality and to fight violence against women;
- Ensure the issuance of legal documents for stateless persons while working on a systemic resolution of statelessness in the country in accordance with international standards.

Thank you.
