Mr. President,

My delegation warmly welcomes the delegation of Kuwait and thanks for the presentation of a comprehensive national report by the delegation.

We appreciate the commitments and consistent efforts as well as achievements made by Kuwaiti government for the protection and promotion of human rights.

Kuwait has made a considerable progress in the field of human rights, in particular, in the implementation of recommendations it accepted during its first UPR in May 2010.

My delegation encourages the Kuwaiti Government to continue with the positive efforts and, in this regard, **recommends** the following:

- 1) to share other countries' experiences and achievements in the field of managing institutions that provide education for people with special needs
- 2) to continue its efforts to provide educational facilities for people with special needs.

Thank you, Mr. President.
