Mr. President,

Jordan would like to welcome Mr. *abdyrakham Mamatiyev* and the delegation to the Twenty- First session of the UPR, and to thank them for the interesting presentation of the national report.

Jordan wishes to commend Kyrgyzstan for its sincere and ongoing efforts to further promote and protect human rights and fundamental freedoms. We are particularly encouraged that Kyrgyzstan had joined a number of international human rights conventions such as the Convention on the Rights of Persons with Disabilities and the Convention for the Protection of all Persons from Enforced Disappearances.

We also commend Kyrgyzstan for strengthening its legislations such as the adoption of the Anti Corruption Act, and the amendments made on the Criminal Code and on the Criminal Procedures code.

Finally, we wish to make the following recommendations to Kyrgyzstan:-

1. To continue its policies on improving the rights of the child;
2. To continue strengthening its national human rights institutions.
