21st session of the UPR Working Group – interactive dialogue with Kyrgyzstan

Statement of Romania

Thank you Mr. President,

Romania thanks the delegation of Kyrgyzstan for the report and the update on the situation of human rights in the country.

We acknowledge the co-operation with the international community, namely with the United Nations since the events in 2010.

While progress exists and it has to be acknowledged, Kyrgyzstan has to take some further steps in the area of ensuring and promoting human rights. We recommend the following:

- 1) To ratify the Rome Statute of the International Criminal Court
- 2) To ratify the Convention on the Rights of Persons with Disabilities
- 3) To allocate enough resources for education in order to ensure the right of education

Thank you Mr. President
