

Mission Permanente
De la République d'Angola
Genève

Mr. President,

Angola welcomes the delegation of Andorra and congratulated them for the presentation of their National Report in this 22nd session of the Universal Periodic Review.

Angola commends Andorra for continually engage in the promotion and protection of human rights, and enhances the new developments in the Justice sector, enabling social inclusion of the people regardless of their race, social condition and affiliation.

Angola consider this mesaures the cornestone for the existence of a permanent dialogue between all sectors of society.

Angola recognizes the efforts made by Andorra, in ratifing the Convention of the Persons with Disabilities; The convention for Transnacional Organized Crime; and the implementation on the national level, of a National Youth Forum, enabling youth participation in political and social life.

Angola recommends Andorra to:

1. Strenght assistance measures to womens, childrens and persons with disabilities;
2. Strenght national policies for the promotion and protection of migrantes;

I thank you
