Mr. Kim Yong Ho

Statement by the DPRK Delegation on the UPR of Mongolia

(5 May 2015)

Mr. President,

My delegation warmly welcomes the delegation of Mongolia and thanks for the presentation of a comprehensive and informative national report.

We appreciate the commitment and consistent efforts as well as achievements made by Mongolia for the protection and promotion of human rights.

Mongolia has made a considerable progress in the field of human rights, in particular, in the implementation of recommendations it accepted during its first UPR in 2010.

We, in particular, commend Mongolia for approval of Law on Gender Equality in 2011 and its continued efforts to protect the rights of child, women and persons with disabilities.

We wish the Government of Mongolia all the best in furtherance of its positive effort for protection and promotion of human rights and in this respect would like to **recommend** the following:

- 1) to continue its efforts to reduce maternal morbidity,
- 2) to continue its efforts in improving protection of women's rights.

We wish successful UPR of Mongolia.

Thank you, Mr. President.
