22nd session of the working group on UPR – Mongolia

Statement by Romania

Thank you Mr President,

Romania welcomes the distinguished delegation of Mongolia and the second participation in the UPR exercise.

We congratulate Mongolia for the important steps undertaken since the previous UPR, notably for the ratification of the Second Optional Protocol to the International Covenant on Civil and Political Rights, by which it abolished death penalty, as well as for the successful organization of Presidential Elections in 2013, as well as for the successful organisation of Presidential Elections in 2013.

We took note of the general political commitment of the Mongolian authorities expressed in the national report on the intention to continue to uphold the highest human rights standards.

We have the following recommendations for Mongolia:

- 1) To continue its efforts in order to ensure the right to education for the children
- 2) To apply the commitments undertaken under the national legislation for the protection of the more vulnerable citizens, notably, the children, the senior citizens and the persons with disabilities.
