Working Group on the Universal Periodic Review 23rd Session

FEDERATED STATES OF MICRONESIA

Mr. President,

Timor-Leste warmly welcomes the members of the Delegation of the Federated States of Micronesia and thanks them for their participation in the 23rd Session of the UPR working group.

Timor-Leste acknowledges the enormous efforts and commitments set forth in the strategic development plan 2004-2023, which outline key development sectors including climate change awareness program and mitigation strategies.

While acknowledging the efforts made by the Government of Micronesia, Timor-Leste takes this opportunity to make the following recommendations;

- To encourage the Government of Micronesia to develop a child-friendly centre for disaster risk protection.
- To engage with the United Nations and development partners when technical support is required.
- To continue improve its domestic laws in order to ensure its international legal obligations in accordance with international norms and principles.

I thank you Mr. President.
