Statement by Pakistan for Oman UPR

4 November 2015

(23rd Session of Working Group on UPR)

Mr. President

We thank H.E Abdullah Mohammad Said Al Sa'eedi for the presentation of Oman's national report on UPR.

Despite challenges, it is encouraging that Oman has made concerted efforts to implement recommendations received during the first cycle of UPR.

We acknowledge the constitutional and institutional frameworks prepared for the effective implementation of human rights in the State.

We appreciate the conventions ratified for the enhancement of socioeconomic rights of the people of Oman. Various programs and mechanisms established for welfare of the children, the disabled, and the elderly are also a welcomed development.

My delegation would like to recommend to Government of Oman:

- a. to continue to take measures for greater participation, involvement and empowerment of women in all socio-economic fields of the country;

b. to continue its efforts aiming at economic growth in the country.

We, once again, thank the delegation of Oman for a comprehensive presentation of National Report on UPR and wish them the best.

I thank you.
