(čas: 1'40"; pořadí: 75)

The Czech Republic warmly welcomes the delegation of Estonia. (We appreciate the response to some of our advance questions).

We have the following **recommendations**:

We **recommend** that Estonia ratify the Optional Protocol to the Convention on the Rights of the Child on a communications procedure.

Second, we **recommend** Estonia to prepare, in consultation with persons with disabilities, a national strategy for the promotion and protection of rights of persons with disabilities in line with the CRPD and strengthen measures protecting persons with disabilities against discrimination, including through widening the scope of the Equal Treatment Act.

Third, the Czech Republic **recommends** Estonia to strengthen prevention efforts, including through legislative measures, aimed against domestic violence and ensure that all professionals working with victims of domestic violence receive a regular and comprehensive training.

(Finally, we **recommend** Estonia to improve material conditions in prisons.)

Thank you.
