Statement by Pakistan for the UPR of Mozambique

(24th Session of the Working Group on UPR)

19 January 2016

Mr. President,

We thank the delegation of Mozambique for the presentation of its second national report on UPR.

We appreciate the steps taken by Mozambique for the protection and promotion of human rights in the last 4 years. It is encouraging to note that it has made concerted efforts to implement majority of the recommendations received during the 1st cycle of the UPR.

We commend the ongoing national legislation and reforms in various sectors for strengthening protection of human rights. We also appreciate Mozambique's cooperation with the human rights mechanisms including Treaty Bodies.

In conclusion, my delegation would like to recommend the following:

1. Continue to promote access to health; and
2. Continue to enhance access to education.

I thank you.
