

STATEMENT OF VIET NAM
By H.E. Mr. THANH T. NGUYEN, Ambassador, Permanent Representative

At the Review of the 2nd cycle UPR Report of Singapore

(Wednesday, 27 January, 2016)

Mr. President,

Viet Nam warmly welcomes the delegation of Singapore to the 2nd cycle of UPR and commends Singapore's fine achievements and strong commitments in protecting and promoting human rights.

Viet Nam also appreciates and commends Singapore's continued and consistent efforts in the successful ongoing course of building a nation of social harmony, justice, tolerance and sustainable development, most necessary in this tiny and highly populated and diverse city-state. The active participation and constructive contribution of Singapore to the work of Human Rights Council is plausible.

Viet Nam would like to make following recommendations:

1. Further introduce effective measures to enhance gender equity, and to create practical facilities for persons with disabilities to effectively participate in the labour market;
2. Allocate sufficient funds and undertake effective measures to provide adequate assistance to elderly people.

Viet Nam wishes Singapore every success.

I thank you./.
