TO THE UNITED NATIONS OFFICE AND OTHER INTERNATIONAL ORGANIZATIONS
IN GENEVA**

Working Group on the Universal Periodic Review
25th Session

GREECE

Mr. President,

Timor-Leste warmly welcomes the members of the Delegation of Greece and congratulates them for their participation at the 25th session of the UPR Working Group.

My delegation wishes to commend Greece on the efforts made to uphold its international obligations in the area of human rights, despite facing a severe economic crisis in the past years.

Timor-Leste welcomes the mandate of the Children's Rights Department of the Ombudsman and we look forward to knowing more about the establishment of a "National Board against Racism and Intolerance" and its National Action Plan.

Timor-Leste takes this opportunity to make the following recommendations:

- That Greece continues its efforts to ensure decent living conditions in all reception and detention centres for migrants and asylum seekers by providing adequate health-care services, food, sanitary conditions and access to transportation.
- That Greece considers ratifying the International Convention on the Protection of the Rights of All Migrant Workers and Members of their Families

I thank you Mr. President.
