

**Statement of the delegation of Libya before the working group on Universal periodic review UPR.**

**Second cycle.**

**The country under review:**

**Hungary.**

Mr. President;

At the outset we warmly welcome the delegation of The government of Hungary and thank him for the comprehensive presentation of his national report.

We would also like to express our deep satisfaction with the progress achieved since the first cycle, particularly the acceptance of 122 recommendations out of 148.

My delegation recommends that the government of Hungary would positively consider the recommendations presented by the special rapper tour on human rights defenders.

Finally, we wish the government of Hungary very successful U P R.

I thank you Mr. President.
