Thank you Mister President,

My delegation welcomes greatly the delegation of Sudan with the lead of HE Mr. Awad Elhassan Elnour Khalifa and highly appreciates Sudan's tremendous efforts to further promote and protect human rights.

Since the endorsement of its first report, Sudan has issued a series of laws that promote fundamental freedoms and protect human rights.

We may list among these laws :

- The anti- human trafficking Act of 2014
- The Asylum Act of 2014

- The freedom of Information Act of 2015
- The Health Insurance Act of 2016

And so fourth.

My delegation highly values the pledge of the government of Sudan to pursue and reinforce its cooperation and communications with all its national, regional and international partners for the protection and promotion of human rights.

To conclude, my delegation encourages the partners of Sudan to further enhance their financial and technical support to this sister country in order to allow her to move forward in its progress in the protection and promotion of human rights.

Thank you.
