Mr. President

My delegation would like to thank the delegation of Tanzania for the comprehensive presentation of their national report on UPR.

My delegation takes note with appreciation of the progress made by Tanzania after the first cycle of UPR that includes, acceptance of 107 recommendations, their implementation, and follow-up.

We welcome the legislations done by the government of Tanzania to promote fundamental freedoms and protect human rights. In this regard, we take note of various legislations done by the government.

The strengthening of national human rights institutions such as Law Reform Commission (LRC), the Workers Compensation Board, the Social Security Regulatory Authority and The Commission for Human Rights and Good Governance (CHRAGG) are all positive developments.

My delegation recommends Tanzania to:

1. continue to promote rights of women and girls, elderly, children,
2. continue reviewing policies for effective implementation of the SDGs;

We, once again, thank the delegation of Tanzania for a comprehensive presentation of the National Report on UPR and wish them the best during the review.

I thank you.
