We commend the legislative developments since the previous review, in particular the enactment of the Cyber-crimes Act of 2015, the Disaster Management Act of 2015 and the adoption of the National Human Rights Action Plan 2013-2017. My delegation notes with satisfaction that the State has taken initiatives to provide access to health care services by increasing the budget to purchase medication and equipment and increasing the number of the health care facilities.

In conclusion Mr. President my delegation would like to present to the United Republic of Tanzania the following recommendations
