**Human Rights Council
25th Session
Universal Periodic Review
United Republic of Tanzania**

Mr. President,

Brazil welcomes the delegation of the United Republic of Tanzania to the second cycle of the UPR and thanks it for its national report.

In a spirit of dialogue and cooperation, Brazil makes the following recommendations:

I- Step up efforts concerning eradication of child labour, especially by means of targeted programs, such as income transfer conditioned to school attendance;

II- Continue and strengthen policies and programmes aimed at enhancing access to justice and redress concerning violations of the rights of persons in vulnerable situations, including persons with albinism.

We appreciate the reference by Tanzania, in its report, to the collaboration with the Government of Brazil and the ILO in the context of the "National Plan of Action for Elimination of Child Labour 2009-2015".

Brazil would also like to express its appreciation for other initiatives such as the implementation of the National Human Rights Action Plan.

Last but not least, we would like to note the Government's commitment to fighting corruption, and the dialogue maintained with civil society actors.

I thank you, Mr. President
